

Date: August 9, 2010

Global Environmental Services  
109 Triport Rd  
Georgetown KY 40324

To Whom It May Concern:

This letter is to confirm that Global Environmental Services located at 109 Triport Rd Georgetown, KY 40324 has completed their onsite renewal registration audit to ISO 9001:2008 (no design) / ISO 14001:2004/ OHSAS 18001:2007 and is currently being reviewed for approval. Bureau Veritas Certification conducted the audit between the dates of May 12, 2010.

The certification process requires a Power of Veto impartial review of the audit process and documentation. Upon completion of this review and approval from Bureau Veritas Certification technical Department, an ANAB certificate will be issued.

If you have any questions or concerns, please feel free to contact Bureau Veritas Certification to discuss. Thank you.

With best regards,

  
Nequita Morgan
